

Dear Applicant:

The following information is intended to help you understand the subsidized housing programs managed by Impact Management Group, LLC. The units were funded by the U.S. Department of Housing and Urban Development (HUD) and we, as the management agent, are required to follow the rules and regulations set up by these federal agencies.

Applicants are determined income-eligible to occupy a unit according to the income guidelines prepared annually by HUD. Generally, the applicant must be at or below 50% of the median income for the county in which the unit is located. This procedure ensures that the subsidized housing is made available only to the very low-income individuals.

Once your Community Manager receives the application, a preliminary check of income is done to determine eligibility. If the applicant appears to be income-eligible, the applicant is put on the waiting list if no vacancies are available or if an appropriate size (number of bedrooms) unit is available, the certification process is started. If we find you are not eligible, you will be notified of the reason(s) why.

HUD requires reference checks to ensure that the buildings will be cared for, the rent will be paid, and that all residents will have a peaceful, safe, secure, and sanitary living environment.

All income must be verified including social security, wages, pensions, interest, AFDC, etc. If you are currently receiving, or expect to receive, social security benefits please include a copy of your current benefits letter with this application. Properties such as real estate, bank accounts, certificates of deposits, etc., are considered as assets and only the interest (or imputed interest) is included as income. Households with combined assets over \$100,000 are ineligible. **This applies to the following *Section 8 properties: Alvin O'Konski Manor, Lee Dreyfus Manor, Gaylord Nelson Manor, Warren Knowles Manor, Neil Rasmussen Manor, Eldon Marple Manor, BCH Center Park, BCH Maple Park and BCH Pine Park.**

In elderly or disabled households, expected out-of-pocket medical expenses (those expenses not covered by Medicare or insurance) in excess of 10% of the gross income are treated as a deduction. Medical insurance premiums are a deduction. All of these expenses must be verified by your doctor, pharmacist, hospital, or insurance company. This ensures that the verification process can be completed efficiently and promptly. Please be sure to include names, addresses and phone numbers. The Impact Management Group Team will provide the forms and assistance during this process.

The amount of rent paid for an apartment varies according to income deductions. The resident will pay 30% of their adjusted monthly income toward rent and utilities.

A security deposit is equal to one month's gross tenant rent and is required before occupancy. This is refunded at the end of tenancy providing no damages or unpaid rent must be retained.

You, as the applicant, are responsible for keeping your application up to date. If you have a change of address or telephone number, you should notify the Manager by telephone or letter advising us of these changes as soon as possible. You may wish to list the name, telephone number and address of a friend or a relative on your application in case we need to reach you about a vacancy and cannot contact you. If you do not notify us of these changes and we are unable to locate you, your application will be filed in the inactive file and your name will be removed from our waiting list.

When a vacancy occurs, we call the names on the waiting list in order of date and time of application. If at the time we call you cannot accept a unit, your name will remain on the list re-dating the application as to the date you were last called. We do not remove your name from the waiting list unless you request us to do so, if you have turned down three units or until we have expended a reasonable amount of effort to locate you.

HUD requires the disclosure and verification of Social Security Numbers for all household members. Applicants must disclose or provide verification at the time of application or for placement on the waiting list. If, at the time a unit becomes available, all non-exempt household members have not provided adequate documentation necessary to verify Social Security Numbers, the next eligible applicant family must be offered the available unit.

All non-exempt household members have ninety (90) days from the date they are first notified that a unit is available to provide documentation necessary to verify the Social Security Numbers. During this 90-day period, the household may retain its place on the waiting list but will not be considered again until the required documentation is provided. If, after ninety (90) days, the applicant family is unable to disclose/verify the Social Security Numbers of all non-exempt household members, the household will be determined ineligible and removed from the waiting list.

We look forward to welcoming you as a new resident!

Sincerely,

Your Impact Management Group Community Manager
